G.A CONFERENCE

29-31 MAY 2024

BUSINESS ETHICS & ESG

ESG stands for environmental, social and corporate governance.

These three points are called **pillars** in the ESG frameworks and represent the 3 broad thematic areas on which companies are expected to report.

CSR refers to **sustainability strategies** that businesses use to ensure that the company operates in an **ethical** manner.

Ethics is an investment
for a business –
for an organization,
with the aim
of a **sustainable future.**

We must build
the economy of the future
based on **rules of law
and morality.**

Business ethics is the basis on which a business will build its society **responsibly**.

The aim of this conference is to promote **the Business ethics and Environmental, Social Sustainability and Governance.**
